BOGOTA DRYSTAR® PANTS

SIZE: S-4XL

ALL-WEATHER RIDING / ADVENTURE TOURING

Incorporating Alpinestars exclusive DRYSTAR® membrane and a removable thermal full-leg liner, the versatile Bogota Pant is 100% waterproof, while offering heat performance on cold rides. With class-leading CE-certified protection in strategic areas, these pants can adapt to all weather conditions and are fully compatible with the Bogota DRYSTAR® Jacket and other Alpinestars jackets.

BOGOTA DRYSTAR® PANTS KEY FEATURES:

- Advanced, reinforced poly-fabric textile construction incorporating Alpinestars exclusive DRYSTAR® membrane for excellent all-weather performance.
- Removable long thermal liner ensures pant versatility and comfort in cold or hot climates.
- Pre-contoured leg construction with accordion stretch panels around crotch and back of knees for improved riding performance.
- Impact protection provided with removable CE-certified knee protectors.
- Reinforced rip-stop in critical knee areas for added abrasion resistance.
- Integrated reflective graphic details and logos improve rider visibility in varying light conditions.
- Dual waist adjustment pull-tabs for highly customizable fit.
- Zippered air in-takes to control internal temperature.
- Zippered, water-resistant hand pockets, plus large zip front-thigh pockets.
- Adjustable, removable braces improve comfort fit.
- Zippered and Velcro® leg cuff closure fits around a range of Alpinestars boot models.
- Optimized for use with the Bogota DRYSTAR® Jacket and other Alpinestars jackets with internal waist connection zipper.
